Business Spotlight: Kinden's Bakery & Café

Kinden's Bakery & Café opened in December of 2019 in the once Lewisporte Pilot building at the entrance to the marina. Locally owned and operated by Haley Kinden, a once paramedic here in Lewisporte whom decided to pursue her dream of opening a café in the downtown core of our community. This bakery and café serves up European styled espresso based drinks, our towns very own brand of brewed coffee "The Lewisporte Blend" and a variety of teas and cold drinks including specialty lemonades and hand blended Italian Sodas. Along with their drink menu, they deliver a delicious menu of artisan sandwiches, paninis, soups and salads and a dessert menu that is ever changing. From cupcakes to cheesecakes to pastries this little café is always filled with the most delicious desserts. Along with a modern café vibe and a place for us to come together with family and friends, Kinden's prides itself on being actively involved in the community and has so far completed eight covid giveback missions since March, both locally and Canada wide. We cannot wait to see you soon and hope you love your experience at Kinden's as much as we love creating it for you.

Havin' a Laugh

A pun contest...

A man's newsletter tells him about a pun contest they are holding. The person who submits the best pun will win \$10000. The man thinks,

I could really use that money!

So he decides he will submit some puns. In the hopes of winning the \$10000, he submits 10 puns in one letter. He hoped and prayed that at least one pun would win it for him. But no pun in ten did

Rising costs...

I told my boss three companies were after me and I needed a raise to stay at my job. We haggled for a few minutes and he gave me a 5 % raise.

Leaving his office, he stopped and asked me, "By the way, which companies are after you?" I responded, "The gas, electric and cable company."

You know you're from Newfoundland when...

- You call your deck a bridge
- You know how to respond to "whaddyat?"
- Someone bumps into you and you apologize
- "Now the once" is a known measure of time
- You've been trick-or-treating in a blizzard
- A traffic jam consists of 10 vehicles waiting to pass a tractor trailer
