Triple E Farms

“Pride of the Burn”

Raymond Eveleigh

Dwight and Junior Eveleigh

Triple E Farms was established in 1930 . With almost 100 years in business, Triple E Farms continues to provide fresh vegetables to NL markets. The Father and son team, Junior and Dwight Eveleigh have continued the business from Junior’s father Raymond, the founder.

Dwight Eveleigh is committed to sustainable agriculture and enviromentaly responsible production in our province. In 2016 he was awarded the Newfoundland and Labrador Enviromental Award.

Triple E Farms began as a small patch of land in Burn Cove, 2KM from Comfort Cove.

Raymond diversified into fish production, but sold this enterprise and returned to production agriculture.

In 1993, Raymond’s son Junior and grandson Dwight partnered to turn the farm from a 10-12 acre production into today’s 115 plus acre farm.

During peak production times, 30 people are employed, and they average 2-2.5 million pounds of product every year.

The Eveleigh’s operation is now one of the largest vegetable farms in NL.

It carries the logo ‘Pride of the Burn,’ a nod to where Raymond first cleared his patch of land in the cove.

This Month's Q&A

Q: What Financial Support is available for my business?

Government has many grants and loans available to subsidise and help with loss of revenues. [Canada's COVID-19 Economic Response Plan - Canada.ca](#)
The Canada Emergency Business Account (CEBA) provides interest-free, partially forgivable, loans of up to \$60,000, to small businesses and not-for-profits, that have experienced diminished revenues due to COVID-19 but face ongoing non-deferrable costs, such as rent, utilities, insurance, taxes and wages.

We have recently expanded CEBA to include an additional interest-free \$20,000 loan, 50% of which would be forgivable if repaid by December 31, 2022. This means the additional loan effectively increases CEBA loans from the existing \$40,000 to \$60,000 for eligible businesses, of which a total of \$20,000 will be forgiven if the balance of the loan is repaid by December 31 2022. Business owners can apply through their Bank until

Why you should become a member!!

We work on your behalf to lobby government and official departments to address your concerns. Chambers of Commerce take on the tough issues and may oppose new regulations, taxes, assessments and costs that will negatively impact small businesses. While you may not personally have the time to get involved, the Chamber will use its resources for the betterment of small business owners.

Newsletters provide new member information, interesting information about operating a local business, articles about the local business community, and details about up-and-coming chamber events.

The chamber initiates numerous monthly business-to-business opportunities for networking and connecting with other local business professionals. You also can grow your business by advertising with the chamber and sponsoring events.
