REAL ESTATE

Carla Kinden is a native of Lewisporte, NL. Born and raised here, and from a hardworking, successful business family.

Carla had worked alongside her parents in the family owned businesses for years. At any given time you could find her at one of these seasonal businesses: Treats from the Sea, Quinn Lake Outfitters, or the Christmas Tree farm.

Carla made a decision to branch out into real estate. She knew it would require long days, hardwork, and determination to become a successful realtor, but that is exactly what she did!

2024 has been a stellar year for Carla Kinden Real Estate and her Kellar Williams team. They are achieving remarkable milestones. In March 2024, Carla ranked #8 on the Top 20 Units (Individual) in all of Canada for units closed. She reached out with immense gratitude and was exhilarated to share this news with everyone.

This accolade is not just a reflection of her commitment to excellence, but is a direct result of the incredible relationships she has built throughout this journey.

As she celebrated this momentous achievement, she stated it wouldn't have been possible without peoples faith in her, the referrals, repeat business, and their unwavering belief in her ability to deliver. Its been the cornerstone to her success!!

Looking ahead, Carla is more motivated than ever to continue to provide exceptional service, informed advice, and the dedicated support that people have come to expect.

Carla gives back to her community by supporting various local ventures. This past summer she was a major sponsor with The Hanns Point Dinner Theatre, which showcases the great talent of the local youth.

Come the xmas season the KellerWilliams team donate to the local food banks in NL.

Together with her clients and team, they will keep reaching for new heights, and turning real estate dreams into realities!!

Chamber of Commerce

Why you should become a member!!

We work on your behalf to lobby government and official departments to address your concerns.

Chambers of Commerce take on the tough issues and may oppose new regulations, taxes, assessments and costs that will negatively impact small businesses. While you may not personally have the time to get involved, the Chamber will use its resources for the betterment of small business owners.

Newsletters provide new member information, interesting information about operating a local business, articles about the local business community, and details about up-and-coming chamber events.

The chamber initiates numerous monthly business-to-business opportunities for networking and connecting with other local business professionals. You also can grow your business by advertising with the chamber and sponsoring events.
